

# Battle of Waterloo

Running Wild

June the 18th 1815, the battle at "Belle-Alliance"  
Marshy fields and pouring rain,  
All the blood and a cannon's fire, cuirassier's attack,  
British grenadiers stand tight Wellington's command  
"Bluecher or the night", but no Prussian in sight  
The battle of Waterloo, a sea of blood that stains the fields  
The battle of Waterloo, lead and steel the bloody goods  
The battle of Waterloo, they fight and die, fall one by one  
The battle of Waterloo, a tribute to the bloody death

[Solo]

Fight, fight - you have to stand unite  
Kill, kill - come on and have your thrill  
Bleed, bleed - your blood flows on the field  
Die, die - but nobody will ever cry for you

[Solo]

The French guard marches on and on straight towards British lines

Bluecher's Prussians join the fight storming the fire side  
The French guards fall one by one but Napoleon has gone  
Do you know who's paying the cost ? The little soldier, he's lost

The battle of Waterloo, a sea of blood that stains the fields  
The battle of Waterloo, lead and steel the bloody goods  
The battle of Waterloo, they fight and die, fall one by one  
The battle of Waterloo, a tribute to the bloody death
