

# Beggar's Night

Running Wild

Blood, blood, bloody night  
The poor stand up and fight  
Marquises, kings and all this vermin  
Hunted up in burning streets

Fight, fight, fight with rage  
Their menials are locked up in a cage  
The spirit of the rebel lives  
Determined to break free

We stand up to break our chains  
Rulers beware  
We'll take your scepter and reign  
On beggar's night

Riot terminates our pain  
We'll catch you in your lair  
You have to pay for your blame  
On beggar's night

Sin, sin, whip and chain  
That's the way they live and reign  
Too many people died in their dungeon  
Now pain's too hard if it's for their profit

Beast, beast, go away  
No reason why you have to stay  
The wealth you squeezed out of our lives  
Will become your tomb

We stand up to break our chains  
Rulers beware  
We'll take your scepter and reign  
On beggar's night

Riot terminates our pain  
We'll catch you in your lair  
You have to pay for your blame  
On beggar's night
