Black Demon

Running Wild

Ancient warriors, troops of hell Demon commands, parsons to fell Iron-bound horses, twinkling gaze Marching to win, black laws to raise. Satan's army, shields and swords Crying "Deliverance!", raising their lords Barking sleuthhounds on the parson's trail Lucifer's warriors are bringing the gale

Hell troops conquer, burning the church Raising hellfire, satanic rules to urge Reaper takes, commander's black The living dead at his back

Deliverance, black demon Breaking the trance, black demon To that bastard's lethal, black demon Tonight

Heart of iron he scorns the priest Satan he serves, sanctifies the beast He drinks the venom, desecrates the shrine Dethroning god, leaving his mortal sign Satanic lord takes away the scourge He frees all mankind from the church Condemns the moral, raises the sin Revenging the tortured and the loser's win
