

## Heads or Tails

Running Wild

Liars and deceivers  
We are a thorn in the side  
''Cause we are insisting on our rights  
Fed up with their tutelage  
Which we will overcome  
We will stand, so they will run  
Evil machinations  
For power and for wealth  
They stick at nothing for themselves  
Senile and restrained  
They say they know what's wrong or right  
You know, true evil will never see the light  
Heads or tails, which way you will choose now ?  
Die or live, surrender or fight  
Wild and free, together we'll stand  
Strong and proud, we claim our right  
They say I am a sinner and seducer  
They try to put the blame on me  
Don't give a fuck for the way they see  
Stand up and you'll win  
Surrender and you'll lose  
It's heads or tails, you have to choose  
Heads or tails, which way you will choose now ?  
Die or live, surrender or fight  
Wild and free, together we'll stand  
Strong and proud, we claim our right
