

Underworld

Running Wild

Evil souls and blackest hearts, lurking in the night
A darkened race, so mean and sly, they keep away from light
Ancient words tell dreadful tales about the other side
About it's world where demons live and where the evil hides
They invade the world with war and pain to save their evil aim
Their power's build on blackest lies, but man will pay it's price

Underworld, the center of the blackest heart
Underworld, where the evil side hides in the dark
They've ruled the world through history, the lords of war and crime

Military and government, they're brought into line
Men in black, they cover up the sight of U.F.O.s
Their power's save as long as there is no one who knows
They invade the world with war and pain to save their evil aim
Their power's build on blackest lies, but man will pay it's price

Underworld, the center of the blackest heart
Underworld, where the evil side hides in the dark
Churches built on holy spots, it's energy to ban
Exposing truth, who is the church? Blackest kind of men
Religion's made to obscure the mind, living on it's lies
Who's the one to wear its crown? The devil, no disguise
They invade the world with war and pain to save their evil aim
Their power's build on blackest lies, but man will pay it's price

Underworld, the center of the blackest heart
Underworld, where the evil side hides in the dark
Underworld, where laws were made to hide the truth
Underworld, where evilness and darkness rules
