

# Underworld

Running Wild

Evil souls and blackest hearts, lurking in the night  
A darkened race, so mean and sly, they keep away from light  
Ancient words tell dreadful tales about the other side  
About it's world where demons live and where the evil hides  
They invade the world with war and pain to save their evil aim  
Their power's build on blackest lies, but man will pay it's price

Underworld, the center of the blackest heart  
Underworld, where the evil side hides in the dark  
They've ruled the world through history, the lords of war and crime

Military and government, they're brought into line  
Men in black, they cover up the sight of U.F.O.s  
Their power's save as long as there is no one who knows  
They invade the world with war and pain to save their evil aim  
Their power's build on blackest lies, but man will pay it's price

Underworld, the center of the blackest heart  
Underworld, where the evil side hides in the dark  
Churches built on holy spots, it's energy to ban  
Exposing truth, who is the church? Blackest kind of men  
Religion's made to obscure the mind, living on it's lies  
Who's the one to wear its crown? The devil, no disguise  
They invade the world with war and pain to save their evil aim  
Their power's build on blackest lies, but man will pay it's price

Underworld, the center of the blackest heart  
Underworld, where the evil side hides in the dark  
Underworld, where laws were made to hide the truth  
Underworld, where evilness and darkness rules
