

## Victim of States Power

Running Wild

See the danger of armament  
Each single minute can be your last  
World is full of killing machines  
And they want to take your life  
See the cruel war pigs, they suppress you  
And they treat you like a slave  
But there is someone, a fallen angel  
And he teaches us to say "No!"

How long do you want to be the victim  
Of state's power and force?  
Stand up and struggle for freedom  
And be Lucifer's friend

See the horror faces of mankind  
And the blood running down the streets  
And if you are dead or alive  
They will never give a damn  
See the lying popes and politicians  
Giving reasons for this jinx  
But there is someone, a fallen angel  
And he teaches us to say "No!"

How long do you want to be the victim  
Of state's power and force?  
Stand up and struggle for freedom  
And be Lucifer's friend
