

## Win or Be Drowned

Running Wild

Like soldiers of fortune, we're cruising the sea  
Against all the odds with the urge to be free  
We're longing for freedom like an animal that's chained  
We're thirsty for justice like a flower that's drained, that's  
drained, yeah  
Win or be drowned, so fight hard  
Win or be drowned like a wild shark  
Win or be drowned, so stand tight  
Win or be drowned, freedom's fight, yeah  
Slave drivers hunted, our cannons will speak  
A frightening terror for the profit they seek  
Like sea cruising phantoms on the breath of the sea  
We are foiling their plans, hooked, they can't flee, can't flee  
, yeah  
Win or be drowned, so fight hard  
Win or be drowned like a wild shark  
Win or be drowned, so stand tight  
Win or be drowned, freedom's fight, fight  
We're still full of pride, we are fighting for life  
For independence we're struggling, we've got to survive  
We're longing for freedom like an animal that's chained  
We're thirsty for justice like a flower that's drained, that's  
drained, yeah  
So win or be drowned, so fight hard  
Win or be drowned like a wild shark  
Win or be drowned, so stand tight  
Win or be drowned, freedom's fight  
Win or be drowned, oh so fight hard  
Win or be drowned like a wild shark  
Win or be drowned, so stand tight  
Win or be drowned, freedom's fight, yeah  
Ooh yeah, fight
