

Rubh nan Cudaigean

Runrig

Harvest of the limpets, of the limpets, of the limpets
Harvest of the limpets on the rocks of the headland of the cuddy fish

Harvest of the limpets, of the limpets, of the limpets
and we will boil the limpets in the house on the headland of the cuddy fish

Be hileam bo horam bo, rise and eat, eat

Be hileam bo horam bo, waiting on the cuddy fish

Be hileam bo horam bo, rise and eat, eat

Won't you eat the limpets, and I will eat the cuddy fish

We will boil the limpets, the limpets, the limpets

We will boil the limpets in the house on the headland of the cuddy fish

We will boil the limpets, the limpets, the limpets
and we will chew the limpets on the shore of the headland of the cuddy fish

Be hileam bo horam bo, rise and eat, eat

Be hileam bo horam bo, waiting on the cuddy fish

Be hileam bo horam bo, rise and eat, eat

Won't you eat the limpets, and I will eat the cuddy fish

We will chew the limpets, the limpets, the limpets

We will chew the limpets on the shore of the headland of the cuddy fish

We will chew the limpets, the limpets, the limpets

And we will scatter the limpets on the sea at the headland of the cuddy fish

Be hileam bo horam bo, rise and eat, eat

Be hileam bo horam bo, waiting on the cuddy fish

Be hileam bo horam bo, rise and eat, eat

Won't you eat the limpets, and I will eat the cuddy fish

We will scatter the limpets, the limpets, the limpets

We will scatter the limpets on the sea at the headland of the cuddy fish

We will scatter the limpets, the limpets, the limpets

And we will sit with nets on the rocks of the headland of the cuddy fish

Be hileam bo horam bo, rise and eat, eat

Be hileam bo horam bo, waiting on the cuddy fish

Be hileam bo horam bo, rise and eat, eat

Won't you eat the limpets, and I will eat the cuddy fish
