Work
Are you a woman, you don't look like a woman
Are you a woman, you don't look like a woman
But you feel like a woman
feel like a woman
feel
feel
like a woman
feel like a woman
Are you a woman, you don't look like a woman
Are you a woman, you don't look like a woman
But you feel like a woman
feel like a woman
feel
feel
like a woman
feel like a woman
feel
feel
like a woman
feel like a woman
Work
Are you not taking after?
A-A-Are you not taking after?
feel like a woman
