Freaky Money

Goodevening everybody I'm so happy ya'll was up in here My name is Miss Valerie Valentine I'll be your hostess and MC this evening How's everybody doing?

Kiss me like you miss you Hump me like you hate me Shoot a movie on my face Take another picture Put it on Insta Common give me nother taste

Scammin money, don't make me money But freaky money, you get the money Cause freaky money, you get the money Cause freaky, freaky

All up in the club, I'm making (money money money money) Waking down the street, I'm making (money money money money) When I shake my ass, I'm making (money money money money) Even when I sleep, I'm making (money money money money)

A freaky d-d La La La La Ah, Get up!

All up in the club, I'm making (money money money money) Waking down the street, I'm making (money money money money) When I shake my ass, I'm making (money money money money) Even when I sleep, I'm making (money money money money)

Don't give me your love (I don't want it) Don't give me your love (I want your)

Freaky Money

Massicotte pisa Very Nice to meet yah Just relax and have a seat Checkin out my nasdaq While you lick my snack pack I'm an ATM machine

(But right now please pause And put your hands together for the complex talents Of whoever ingnant ass is supposed to get up here Do we have somebody Charles? Can we have someone work the lights up in here? You hold your head high, you freaky bitch You got paid)

(She want that money money, I want that money money) Big Freedia, better known as queen diva

RuPaul

Cute features, hair long like Mona Lisa Pockets fat, I don't need to use my Visa Lotta freaky money when I'm booking out arenas Ho's shaking money, making ass everywhere Toot it up, bend it over, for make a profit sale Make it work, make it twerk, I'ma take you there If you bout it throw your freaky money in the air

Don't give me your love (I don't want it) Don't give me your love (I want your)
