Help me
Hey hey hey hey

Hey kitty girl
It's your world
When you walk the street
Steppin' to the beat
Hey kitty girl
Get your twirl
In the disco heat
You're the boogie-body-rockin' queen

Gone tomorrow
But you're here for today
Cat walkin'
Like the world is your run-run-runway
People say that when the dog is away
Kitty cats are gonna come out and play

Hey kitty girl
It's your world
When you walk the street
Steppin' to the beat
Hey kitty girl
Get your twirl
In the disco heat
You're the boogie-body-rockin' queen

Boogie-body-rockin' queen
B-boogie-body-rockin' queen
Boogie-body-rockin' queen
B-b-boogie-body-rockin' queen
Boog-boog- boogie-body-rockin' queen
Boogie-body-rockin' queen
Boog-boog- boogie-body-rockin' queen

Nine lives ain't as long as it sounds
No time for pussy-footin' around-round-round
Bad kitty, good pussy, meow
Tell papa "hey yo' cat has been found"

Hey kitty girl
It's your world
When you walk the street
Steppin' to the beat
Hey kitty girl
Get your twirl
In the disco heat
You're the boogie-body-rockin' queen

Hey hey hey
Kitty kitty
Hey ki-kitty kitty
Hey kitty kitty
Hey oh oh oh
Hey ki-kitty kitty
Hey kitty kitty
Hey oh oh oh

Fatal curiosity
Feeling feline energy
Looking back at history
You'll always land on your feet

Hey kitty girl
It's your world
When you walk the street
Steppin' to the beat
Hey kitty girl
Get your twirl
In the disco heat
You're the boogie-body-rockin' queen
