

## Looking Good, Feeling Gorgeous

RuPaul

Woke up this morning, it's a brighter day  
I looked in the mirror, saw a new face  
Cause I got myself together, steppin' in time  
Every thing's better, this day is mine

How do I look? You look good  
How do I feel? You feel good  
How do I look? You look good  
You're looking good and feeling gorgeous

Well, she walks real steady  
In her high heel steppers  
She got lots of style  
She got lots of class

Yes, I'm confident and self-assured  
No holdin' back, not like before  
'Cause I know what I want, can't settle for less  
Not tryin' to flaunt it, I just want the best
