

People Are People

RuPaul

People are people, so (people are people, so...)
You and I should get along (You and I should get along...)
People are people, so (people are people, so...)
You and I should get along (You and I should get along...)

So we're different colours, and we're different creeds
And different people have different needs
It's obvious you hate me, though I've done nothing wrong
I've never even met you, so what could I have done?

I can't understand
What makes a man
Hate another man
Help me understand

I can't understand
What makes a man
Hate another man
Help me understand

People are people, so why should it be
You and I should get along so awfully
People are people, so why should it be
You and I should get along so awfully

(why should it be?)

Now you're punching and you're kicking and you're shouting at me
I'm relying on your common decency
So far it hasn't surfaced, but I'm sure it exists
It just take a while to travel from your head to your fist

I can't understand
What makes a man
Hate another man
Help me understand

I can't understand
What makes a man
Hate another man
Help me understand

Help me understand
Help me understand

People are people, so why should it be
You and I should get along so awfully
People are people, so why should it be
You and I should get along so awfully

People are people, so why should it be
You and I should get along so awfully
People are people, so why should it be
You and I should get along so awfully

(Oh, help me understand, yeah)
(Hate another man, no, no)

(I can't understand)

People are people, so...

(What makes, what makes a man)

(Hates another man)

(What makes, what makes a man)

People are people, so why should it be..
