Snapshot

Here and there, everywhere The places that I go people stop and they stare I'm beautiful that I know I am quite a sight to behold

Hey now, hey now, now I want you to remember me being who I wanna be Hey now, hey now, now Turn it on then you'll see everybody look at me

Snapshot Take my picture snapshot Let me show what I got Red hot Take my picture red hot Take it over the top

Photograph, video Catch me while you can 'cause I gotta go Hollywood, sunset strip Living in the spotlight can be such a trip

Hey now, hey now, now Take it on my good side, don't wanna be on my bad side Hey now, hey now, now I ain't never been shy, ain't got nothin' to hide

Snapshot Take my picture snapshot Let me show what I got Red hot Take my picture red hot Take it over the top

Say baby, uh, you got some film in that camera Or are you just happy to see me?

Hey now, hey now, now, click, click Hey now, hey now, now, click, click
