I don't need no man to make me understand What I'm livin' for is waiting on the dancefloor I don't know 'bout you, but I know what to do All I need is room to show you what I'm living for BABY, BABY, BABY, BABY! Workout - in the mornin' Workout - in the evenin' Workout - take me higher Workout - do it baby Workout - make me crazy Workout - lift me higher Here's the way it goes and baby you should know All I'm livin for is waiting on the dancefloor Rhythm is my life, the music makes me high Look into my eyes, it'll should me what you're living for If you wanna party And you wanna party Do you wanna party with me ?
