

# Speechless

Rupert Holmes

I can make a speech  
When the mood comes to me, yes it's true  
But oh pretty darlin'  
I am speechless when it comes to you

Speechless when you reach for my hand  
I am so speechless and I can't understand how you love me  
But as long as you keep sayin' that you love me  
There is nothin' I can say

Except I am speechless at the sound of your voice  
I am so speechless and since I have no choice  
I keep smilin' like a cat whose caught a bird  
And just keep smilin'

If I dare to say a word, you'd find me mindless  
And I don't really mind, love is blindness  
And my mind is resigned to the kindness you keep pourin' on me  
Can it be? Can it be? Can it be all for me?

I don't have a hope  
If you don't dream of me, this is true  
'Cause oh pretty darlin'  
I am hopeless when I dream of you

Speechless and the heart never lies  
I am so speechless so I speak with my eyes  
I am just smilin' 'cause I've seen [?]  
Oh, are you smilin' at my face within the darkness

When I am breathless and I come up for air  
It's so endless that it gives me a scare  
It's so timeless that I never touch ground  
Why should I? Why should I? Why should I make a sound

I can sing your song  
I can sigh in the night, this is true  
But oh pretty darlin'  
I am speechless at the sight of you
