Rush Of Fools

I've been here before
And here I am again
Standing at the door
And praying You'll let me back in

To label me a prodigal would be
Only scratching the surface
Of who I've been known to be

You turn me around, pick me up
Undo what I've become
Bring me back to the place
Of forgiveness and grace
I need You, need Your help
I can't do this myself
You're the only One who can undo
What I've become

I've focused on the score
But I can never win
I was trying to ignore
A life of hiding my sin

To label me a hypocrite would be
Only scratching the surface
Of who I've been known to be

Make every step lead me back to
The sovereign way that You

You are the only One who can undo
You are the only One who can undo
What I've become
You're the only One
