

## Bravest Face

Rush

Though we might have precious little  
It's still precious

I like that song about this wonderful world  
It's got a sunny point of view  
And sometimes I feel it's true  
At least for a few of us  
I like that world, it makes a wonderful song  
But there's a darker point of view  
But sadly just as true  
For so many among us

Though we might have precious little  
It's still precious

In the sweetest child there's a vicious streak  
In the strongest man there's a child so weak  
In the whole wide world there's no magic place  
So you might as well rise put on your bravest face

I like that show where they solve all the murders  
An heroic point of view  
It's got justice and vengeance too  
At least so the story goes  
I like that story, makes a satisfying case  
But there's a messy point of view  
That's sadly just as true  
For so many among us

In softest voice there's an acid tongue  
In the oldest eyes there's a soul so young  
In the shakiest will there's a core of steel  
On the smoothest ride there's a squeaky wheel

Though we might have precious little  
It's still precious
