

Mystic Rhythms

Rush

So many things I think about
When I look far away
Things I know -- things I wonder
Things I'd like to say
The more we think we know about
The greater the unknown
We suspend our disbelief
And we are not alone

Mystic rhythms -- capture my thoughts
And carry them away
Mysteries of night escape the light of day
Mystic rhythms -- under northern lights
Primitive things stir
The hearts of everyone

We sometimes catch a window
A glimpse of what's beyond
Was it just imagination
Stringing us along?
More things than are dreamed about
Unseen and unexplained
We suspend our disbelief
And we are entertained

Mystic rhythms -- capture my thoughts
And carry them away
Nature seems to spin
A supernatural way
Mystic rhythms -- under city lights
Or a canopy of stars
We feel the powers
And we wonder what they are
We feel the push and pull
Of restless rhythms from afar
