

Need Some Love

Rush

I'm running here
I'm running there
I'm looking for a girl
Cause there's nothing I need
There's nothing I want more
In the whole wide world

Well, I need it quick
And I need it now
Before I start to fade away
That's why I'm searching
That's why I'm looking
Each and every day

Oh, I need some love
I said I need some love!
Oh yes, I need some love
This feeling I can't rise above
Yeah, yeah!

Well I been hustling here,
I been hustling there
I been searching for about a week
And I started feeling
This strange sensation
My knees are starting getting weak

Well I need what keeps
A young man alive,
I'm saying I need it now
I'm gonna get the message
Across to you
Someway, somehow

Oh, I need some love
I said I need some love!
Oh yes, I need some love
This feeling I can't rise above
Oh, yeah yeah!
