The Stars Look Down

Like the fly on the wheel who says 'What a lot of dust we're raising' Are you under the illusion That you're part of this scheme? Seems like a lifetime ago You could look with pride On your world of dreams

What is the meaning of this? And the stars look down What are you trying to do? And the stars look down Was it something I said And the stars look down

Like the rat in a maze who says 'Watch me choose my own direction' Are you under the illusion The path is winding your way? Are you surprised by confusion When it leads you astray? Have you lived a lifetime today... Or do you feel like you just got carried away?

What is the meaning of this? And the stars look down What are you trying to do? And the stars look down Was it something I said? And the stars look down Something you'd like me to do? And the stars look down Rush
