

# Time Stand Still

Rush

I turn my back to the wind  
To catch my breath before I start off again  
Driven on without a moment to spend  
To pass an evening with a drink and a friend

I let my skin get too thin, I'd like to pause  
No matter what I pretend  
Like some pilgrim who learns to transcend  
Learns to live as if each step was the end

(Time stand still)  
I'm not looking back  
But I want to look around me now  
(Time stand still)  
See more of the people and the places that surround me now  
Time stand still

Freeze this moment a little bit longer  
Make each sensation a little bit stronger  
Experience slips away  
Experience slips away  
Time stand still

I turn my face to the sun  
Close my eyes  
Let my defenses down  
All those wounds that I can't get unwound

I let my past go too fast, no time to pause  
If I could slow it all down  
Like some captain, whose ship runs aground  
I can wait until the tide comes around

(Time stand still)  
I'm not looking back  
But I want to look around me now  
(Time stand still)  
See more of the people and the places that surround me now

Freeze this moment a little bit longer  
Make each sensation a little bit stronger  
Make each impression a little bit stronger  
Freeze this motion a little bit longer

(The innocence slips away)  
(The innocence slips away)  
Time stand still  
Time stand still

I'm not looking back  
But I want to look around me now  
See more of the people and the places that surround me now  
Time stand still

Summer's going fast, nights growing colder  
Children growing up, old friends growing older  
Freeze this moment a little bit longer

Make each sensation a little bit stronger

Experience slips away

Experience slips away

The innocence slips away
