Everybody is looking for somebody to love Don't wanna be lonely just looking for someone to love Everybody is looking for somebody to love Don't wanna be lonely just looking for someone to love

Somebody to love, love love Somebody to love Somebody to love, love love

Everybody is looking for somebody to love Don't wanna be lonely just looking for someone to love Everybody is looking for somebody to love Don't wanna be lonely just looking for someone to love

Somebody to love, love love Somebody to love Somebody to love, love love

Everybody is looking for somebody to love Don't wanna be lonely just looking for someone to love Everybody is looking for somebody to love Don't wanna be lonely just looking for someone to love
