

Cry It Out

Ruslana

How long is forever,
Do we need to know?
Are we strong enough to see?
Why we're all here together,
Where do we go?
Do we care 'bout who we're gonna be?

Chorus

When we all have to face that,
There's no world in it's places,
We will say -
Let's cry it out!
When there's no hope for better,
And the truth doesn't matter,
We will say -
Let's cry it out!
We'll cry it out.

How long are we given,
How far will we go?
Are we strong enough to say,
Are we blessed or forgiven,
As we're on the way?
And will we care enough to leave or stay?
