

# Dancing In The Sky

Ruslana

You were the one... (4)

You were the one,  
Who seemed to come to save me,  
You were the one,  
Who seemed to give me hope,  
You were the one,  
Who came for good to stay with me,  
You were the one,  
The one who said  
We'd never stop, never stop  
The journey  
We'd cherish every day,  
You almost made me say,  
You were the one for real,  
You were the one for me, hey.

Chorus

That's it,  
No way that you can hurt me,  
No way that you can make me cry,  
I'll be around, but you can't touch me,  
Cause I'll be dancing in the sky.  
That's it,  
No way that you can feel me,  
No way that you can reach so high,  
The stars will shine, and you won't touch me,  
As I'll be dancing in the sky.

You were the one,  
Who came back and betrayed me,  
You were the one,  
Who played with no respect,  
You were the one,  
Who acted like you cared for me,  
You were the one,  
Who said,  
We never had, never had  
No journey,  
You stole my every day,  
You almost made me say,  
That love is not for real,  
That love is not for me, hey.
