Um ah, um ah, um ah ah ah.

Im pa pa pa pa Ba Ba.

Oh, oh, oh--Oh, oh, oh.

Im pa pa pa pa Ba Ba.

Uh, uh, uh.

Chao,

Uh, uh, uh.

Poo.

I am going to be so straight,
I wonder when you are going to take my hand,
And say we will be together (We will be together).

Oh, oh, oh. Oh, oh, oh.

You are gonna say its heavy weight,
Don't tell me it's heavy weight,
But I am going to say we will be together.

Oh, oh, oh. Oh, oh, oh.
The car is gonna shine so bright,
And we can manage it alright,
For we will be together,
When we together.

We can fly high,
As we are gonna go wild,
Singing this song,
Together and long,
All I can do,
As we are taking this ride,
I am always with you,
Because you're my boo, yeah.

Oh, oh, oh, oh...

Every new day, I wake up,
With the beat is but a smile,
Just look up, up,
Because we are together (we are together).

There's no wanting high enough,
I am going to stay here, acting tough,
Cause we are together.

Oh, oh, oh. We're together.
The color are shining in so bright,
We will manage it alright,

We are together.

We can fly high,
As we are gonna go wild,
Singing this song,
Together and long.
All I can do as we are taking this,
I'm always with you, because you're my boo, yeah,

Oh, oh, oh. Oh, oh, oh...
The color shining in so bright,
We will manage it alright,
We are together.

We can fly high as we are gonna go wild,
Singing this song,
Together and long
All I can do as we are taking this ride
I am always with you, yeah,
Because you're my boo.
