

Can't Help Falling In Love

Russell Watson

Wise men say only fools rush in
But I can't help falling in love with you
Shall I say would it be a sin
If I can't help falling in love with you
Like a river flows (Oh)
To the sea (Oh)
So it goes
Some things are meant to be
 Take my hand (take my hand)
Take my whole life too (life too)
For I can't help falling in love with you
 Like a river flows (Oh)
To the sea (Oh)
So it goes
Some things are meant to be

Take my hand (take my hand)
Take my whole life too (life too)
For I can't help falling in love with you
For I can't help falling in love with you
