

# Nothing Sacred

Russell Watson

If a love as strong as ours  
Couldn't make it all the way  
Can anything make sense at all?

If a love so deep and true  
Couldn't stand the test of time  
Then Mount Everest could slide  
And Jerusalem could fall

Is nothing sacred anymore?  
Is forever just another word?  
Is a promise something people used to keep  
When love was worth the fighting for?  
If we can say goodbye  
If we can say goodbye  
Is nothing sacred anymore?  
If we can say goodbye  
Is nothing sacred anymore?

I relived our final words  
Every sentence that was said  
Don't know what turned our lives around  
Does it matter who was right?  
There's no justice in a dream  
Never thought a heart could break  
Without making any sound

Is nothing sacred anymore?  
Is forever just another word?  
Is a promise something people used to keep  
When love was worth the fighting for?  
If we can say goodbye  
If we can say goodbye  
Is nothing sacred anymore?  
If we can say goodbye  
Is nothing sacred anymore?

Our love was as certain as the dawn  
As solid and safe as it ever could be  
Our love was a star you wish upon  
And you thought that I said "you"  
I could have sworn that you say "me"

Is nothing sacred anymore?  
Is forever just another word?  
Is a promise something people used to keep  
When love was worth the fighting for?  
If we can say goodbye  
If we can say goodbye  
Is nothing sacred anymore?

Is nothing sacred anymore?  
Is forever just another word?  
Is a promise something people used to keep  
When love was worth the fighting for?  
If we can say goodbye  
If we can say goodbye

Is nothing sacred anymore?  
If we can say goodbye  
Is nothing sacred anymore?  
Is nothing sacred anymore?
