

# Where My Heart Will Take Me

Russell Watson

It's been a long road  
Getting from there to here  
It's been a long time  
But my time is finally near  
And I can feel the change in the wind right now  
Nothing's in my way  
And they're not gonna hold me down no more  
No, they're not gonna hold me down

'Cause I've got faith of the heart  
I'm going where my heart will take me  
I've got faith to believe  
I can do anything  
I've got strength of the soul  
And no one's gonna bend or break me  
I can reach any star  
I've got faith  
I've got faith, faith of the heart

It's been a long night  
Trying to find my way  
Been through the darkness  
Now I finally have my day  
And I will see my dream come alive at last  
I will touch the sky  
And they're not gonna hold me down no more  
No, they're not gonna change my mind

'Cause I've got faith of the heart  
I'm going where my heart will take me  
I've got faith to believe  
I can do anything  
I've got strength of the soul  
And no one's gonna bend or break me  
I can reach any star  
I've got faith, faith of the heart

I've known the wind so cold, I've seen the darkest days  
But now the winds I feel, are only winds of change  
I've been through the fire and I've been through the rain  
But I'll be fine

'Cause I've got faith of the heart  
I'm going where my heart will take me  
I've got faith to believe  
I can do anything  
I've got strength of the soul  
And no one's gonna bend or break me  
I can reach any star

'Cause I've got faith of the heart  
I'm going where my heart will take me  
I've got strength of the soul  
No one's gonna bend or break me  
I can reach any star  
I've got faith  
I've got faith, faith of the heart

It's been a long road
