

## Braver Soldier

Russian Red

When a woman loves a man  
all she does is shout  
When a woman loves a man  
all she is, is loud

Oh won't she, oh won't she, oh won't she  
Be braver and solid and stranger to me?

When a woman loves a man there's no lousy crowd  
When a woman loves a man, well there's no hiding proud.

Oh won't she, oh won't she, oh won't she  
Be braver and solid and stranger to him?

are they going to die? well we're gonna to die  
Some day and so we'll be standing up and holding hands  
Swearing and dancing in shiny, purple, shiny fields  
And so it is...  
I ain't going to die 'cause I've changed my mind.
