

Everyday Everynight

Russian Red

You were travelling really far
I had to stay and watch the plants be sorry
Miles away and planes apart
You were discovering a new land
I was lonely

You were young and I was bad
I just wanted to be by your side

Everyday, everynight
No more shall we part (x2)

You were dancing in my head
I played forever "Last year's man"
I'm sorry
Keep my trousers, stay in bed and read the good things
I'm afraid, now you're lonely

You were young and I was sad
I just wanted to be by your side

Everyday, everynight
No more shall we part (x2)

Everyday, everynight
No more shall we part (x2)
