

You're always such a fool  
And in your eyes so blue  
I see the life I never had before.

Do you remember when  
We used to live things separate  
We hadn't met or thought  
That could be possible.

I'm glad you had your life  
So good to listen to your past  
All of those things brought you  
With me and now we're two.

You're always such a fool  
And in your eyes so blue  
I see the life I never had before.  
You always talk so smooth  
And in your voice, so true  
I hear the dream  
I never had before.

But if I try to think  
Of something better than this  
Heaven comes down  
And reminds the luck we live.

You're always such a fool  
And in your eyes so blue  
I see the life I never had before.  
You always talk so smooth  
And in your voice, so true  
I hear the dream  
I never had before.
