

I Hate You But I Love You

Russian Red

You were so high up on in the sky
I just keep feeling like a little child

I hate you but I love you
I just can't take how beautiful you are
I hate to say this
But my eyes go blind
I hate you but I love you
My favorite sun becomes a healing sign
I have to tell you this
Cause my heart goes wild

Oh you are so high, lost in the sky
Everytime I travel far

I think about you by my side
To any of those I cannot go by

I hate you but I love you
I just can't take how beautiful you are
I hate to say this
But my eyes go blind

I hate you but I love you
My favorite sun becomes a healing sign
I have to tell you this
Cause my heart goes wild

Da da da, da da da
