

Dance In The Middle

Rusted Root

Come on, come on, dance in the middle tonight
Come on, come on, I'm gonna make you right
Hands down, jump in the middle baby
Come on, baby tonight

Someone told me there's a holy picture of you
I don't know if this is true
Hands down, jump in the middle baby
Come on, baby tonight
I know I can treat you right
Come on (Come on, come on), come on, dance in the middle tonight
Come on (Come on, come on), come on (Come on, come on), I'm gonna make you right (Dance in the middle now)
Come on (Come on, come on), come on, come on the rest of you (Dance in the middle now)
Come on (Come on, come on), come on, this is our bluest tune
It's true
All I know is this tune

Wasted daughter, you go parlay to the throne
Next in line, you're everything I've ever known
My lover bone

My lover bone

You hold me back like a lion in the Sun 'cause you've got the?
Hands down, jump in the middle baby
Come on, baby, hands down, jump (Baby tonight)
Hands down, jump in the middle baby
Come on, baby tonight
I know I can treat you right
I know I can treat you right
Come on (Come on, come on), come on, dance in the middle tonight (Jump in the middle baby)
Come on (Come on, come on), come on (Come on, come on), I'm gonna make you right
Come on (Come on, come on), come on, I want the rest of you (Dance in the middle now)
Come on (Come on, come on), come on, this is our bluest tune
It's true
All I know is this tune

Oh, take it Nancy

How do you fail?
