

Driving One

Rusted Root

Driving, yeah, driving for you
Driving (I'm on my way), ah, nothing to do
'Cause I'm on my way
Can't be too long
Can't just stay
In my blood
Driving (Driving), yeah, driving for you (Driving)
I'm driving (Driving)
Can't get on through (Driving)

Driving (Driving), yeah, driving for you (Driving)
I'm driving (Driving)
Can't wait to get on through (Driving)
I'm on my way
Can't be too long
Can't just stay
In my blood
Things come alive in overdrive
Come alive
