

## Fossil Man

## Rusted Root

All the movement's gone,  
And here we are, here we are  
Take me home,  
Down the silver, silver mine.

We're loving the man, loving the man so right  
You got the moves, you got the moves to stay tight.  
But hey, hey, hey, it's time we move on,  
We gotta leave this all behind.

And all you cry it hurts,  
Step forward and take it back.  
In the silent field we walk on,  
To the space ship on Mars.

We're loving the man, loving the man so right  
You got the moves, you got the moves to stay tight.

But hey, hey, hey, it's time we move on,  
We gotta leave this all behind.

You gotta move me, fossil man, fossil man  
You gotta see me, fossil man, fossil man.  
We gotta move on, move on,  
And on and on and on and on.

We're loving the man, loving the man so right  
You got the moves, you got the moves to stay tight.  
But hey, hey, hey, it's time we move on,  
We gotta leave this all behind.

All our conscience's gone  
And here we are, here we are.
