

Monkey Pants

Rusted Root

I, I, I, I let it die this way
Every time I could feel you from the stage
I, I, I, I rather dance a monkey, dance so good, look good
I, I, I, I, I, I, I am, I am on the stand
Come on, dance with your monkey pants on, on display
Whatta you say?

I got romance 'cause you're so captain Mula, so good
So keep the task up
Will you dance the light, tonight
Tonight you're gonna make it
Come on, dance with your monkey pants on, on display
Whatta you say?

So lead on, lead on
Don't cast your silence amongst the dead
We want the best of you
The best of you and everything that you do
So come on, come on, come on
We gotta get it on too, too
Like the seventeen

I, I, I, I let it die this way
I, I, I, I learned to feel you from the stage
I, I, I, I rather dance a monkey, dance so good, good
I, I, I, I, I, I, I am, I am on the stand
Come on, dance with your monkey pants on, on display
Whatta you say?
