

Rain

Rusted Root

Hit upon 'em, Joe
Raise the barn yourself
Hit upon 'em, Joe
Raise the barn yourself

Rain's gonna fall
Rain's gonna fall
Rain's gonna fall
Rain's gonna fall

Rain, rain
Gonna fall down on your head
Rain, rain
Gonna fall
Rain, rain
Gonna fall down on your head
Rain, rain
Gonna fall

Don't get out
Hit upon 'em, Joe
You can raise the barn yourself
As you're kickin' in the sun, yeah
Hit upon 'em, Joe
You can raise the barn yourself
As you're kickin' in the sun, yeah

Rain gonna fall
Rain gonna fall
Rain gonna fall
Rain gonna fall

Rain, rain
Gonna fall down on your head
Rain, rain
Gonna fall
Rain, rain
Gonna fall down on your head
Rain, rain
Gonna fall
