We're caught in a trap
I can't walk out because I love you too much baby
Why can't you see, what you're doing to me, when you don't beli
eve a word I say?
We can't go on together with suspicious minds (Suspicious minds
And we can't build our dreams on suspicious minds
So, if an old friend I know drops by to say hello, would I stil
1 see suspicion in your eyes?
Here we go again, asking where I've been
You can't see these tears are real I'm crying
We can't go on together with suspicious minds (Suspicious minds
And be can't build our dreams on suspicious minds
Oh, let our love survive or dry the tears from your eyes
Lets don't let a good thing die
You know, I've never lied to you
I've never lied to you
We're caught in a trap
I can't walk out because I love you too much baby
Why can't you see, what you're doing to me, when you don't beli
eve a word I saying? (When you don't believe a word I saying?)
We can't go on together with suspicious minds (Suspicious minds
And we can't build our dreams on suspicious minds
We're caught in a trap
I can't walk out because I love you too much baby
We're caught in a trap
I can't walk out because I love you too much baby
We're caught in a trap
I can't walk out because I love you too much baby
