

## 5-10-15 Hours

Ruth Brown

Baby baby baby, I've got to have you for my own,  
Baby baby baby, I've got to have you for my own,  
If you ever need me baby, call me on the telephone.

Just give me five, ten, fifteen hours of your love,  
Just give me five, ten, fifteen hours of your love,  
Give me fifteen hours while that shiny moon's above.

I wanna love ya love ya love ya, love ya love ya all the time,  
I wanna love ya love ya love ya, love ya love ya all the time,  
I wanna love ya love ya baby, if I live to ninety nine!

Just give me five, ten, fifteen hours of your love,  
Just give me five, ten, fifteen hours of your love,  
Give me fifteen hours while that shiny moon's above.

I wanna hold ya hold ya hold ya, hold ya till the broad daylight,  
I wanna hold ya hold ya hold ya, hold ya till the broad daylight,  
I wanna thrill ya thrill ya thrill ya till the sun is shinin' b  
right.

So give me five, ten, fifteen hours there with you,  
So give me five, ten, fifteen hours there with you,  
Give me fifteen hours and I'll prove my love is true.
