

# Somebody Touched Me

Ruth Brown

(Bop-ba-do, bop-ba-do-be-do)  
(Bop-by-do, bop-ba-do-be-do)

You gotta get the rhythm if you're gonna rock  
You gotta get a-movin' and don't stop  
Here we go  
Oh, here we go  
Oh, here we go (here we go!)

Well, somebody touched me, in the dark last night  
Yeah, somebody touched me, in the dark last night  
Well, somebody touched me in the dark last night  
Well, moved me when she held me tight  
Oh who (who) who (who) who in the dark last night?

Last night, a stranger (stranger) took my hand (took my hand)  
Last night, a stranger (stranger) took my hand (took my hand)  
Well, last night a stranger took my hand  
She said, 'You'll be my lovin' man'  
Oh who (who) who (who) who in the dark last night?

(Bop-ba-do, bop-ba-do-be-do)  
(Bop-by-do, bop-ba-do-be-do)

Now you got the rhythm so don't stop  
We gonna move on with a roll and rock  
Here we go  
Oh, here we go  
Oh, here we go  
(Here we go!)

Well, somebody made me fall in love last night  
Yeah, somebody made me fall in love last night  
Well, somebody made me fall in love  
Sets my heart and soul above  
Oh, who (who) who (who) who in the dark last night?

Last night, a stranger (stranger) took my hand (took my hand)  
Last night, a stranger (stranger) took my hand (took my hand)  
Well, last night a stranger took my hand  
She said, 'You're gonna be my lovin' man'  
Oh who (who) who (who) who in the dark last night?

Oh-wah-oh, oh-wah-oh (do-be-ooo)  
Oh-wah-oh, oh-wah-oh (do-be-ooo)

Oh-wah-oh, oh-wah-oh (do-be-ooo)  
Oh wah-oh, oh-wah-oh (do-be-ooo)
