

## Can't Stand It

RVIVR

Fill our hearts with concrete  
Fill our minds with smoke  
Can't see can't feel  
Can't hope  
We don't want it  
We don't need it now  
We can't live without it  
Though we rot inside  
We can still survive  
Look them in the eye  
And shout it  
We don't want it  
We don't need it now  
We can't live without it  
I can't stand it  
You don't deserve it  
At the end of the day you're still imperfect  
It's ok  
It's  
It's ok  
Brought up to look down on our lives  
We know they're lies but it sticks inside  
It's ok  
It's ok  
It's ok  
I can't stand it you don't deserve it  
I can't stand it
