

In All Rwanda's Glory

RX Bandits

What do you want to be
Would you fight for your country
Leaders say "why don't you pick up a gun and shoot at somebody"
But they're only gonna protect you if that dollar sign is right
There's a war in every nation but we turn our heads tonight

Human rights went on vacation
Money took over a long time ago
Cry for this racial war
In all Rwanda's glory
There ain't no glory in a war ain't no glory

A black man or a white man
Or an Asian or a Mexican
Or an African or a South African
Or a Serbian or a Libyan
You're all one race, the human race
Just a different smile for a different face

Human rights went on vacation
Money took over a long time ago
Cry for this racial war
In all Rwanda's glory
There ain't no glory in a war ain't no glory
