

## It's All Over Now

Ry Cooder

Well, baby used to stay out, all night long  
She made me cry and she did me wrong  
She had my nose open, that's no lie  
The table's have turned, now it's her turn to cry

Because I used to love her, but it's all over now  
Because I used to love her, but it's all over now

Well, she used to run around with every man in town  
She spent all my money trying to play that high class game  
She put me down, it was a pity how I cried  
The table's have turned, now it's her turn to cry

Because I used to love her, but it's all over now  
Because I used to love her, but it's all over now

I used to wake up in the morning, get my breakfast in bed  
Whenever I got worried, she would rub my aching head  
But now she's here and there, with every man in town  
Still trying to take me for that same old clown

Because I used to love her, but it's all over now  
Because I used to love her, but it's all over now

Well, baby used to stay out, all night long  
She made me cry and she did me wrong  
She had my nose open, that's no lie  
The table's have turned, now it's her turn to cry

Because I used to love her, but it's all over now  
Because I used to love her, but it's all over now  
Because I used to love her, but it's all over now
