

The Last Stand (Alamo Bay)

Ry Cooder

No-no-notorious

No-no-notorious

I can't read about it, burns the skin from your eyes

I'll do fine without it, here's one you don't compromise

Lies come hard to disguise

Let me to fight it out, not wild about it

Lay your seedy judgements, who says they're part of our lives?

You own the money, you control the witness

I hear you're lonely, don't monkey with my business

You pay the profits to justify the reasons

I heard your promise but I don't believe it

That's why I'll do it again

No-no-notorious

Girls will keep the secrets, so long as boys make the noise

Fools run rings to break up, something they'll never destroy

Grand notorious slam, (bam) and who really gives a damn

For a flaky bandit?

Don't ask me to bleed about it, I need this blood to survive

You own the money, you control the witness

I hear you're lonely, don't monkey with my business

You pay the profits to justify the reasons

I heard your promise but I don't believe it

That's why I'll do it again

Notorious

Notorious

You own the money, you control the witness

I hear you're lonely, don't monkey with my business

You pay the profits to justify the reasons

I heard your promise but I don't believe it

You own the money, you control the witness

I hear you're lonely, don't monkey with my business

You pay the profits to justify the reasons

I heard your promise but I don't believe it

That's why I'll do it again

No

No-no

That's why I'll do it again

No-notorious

Yeah, that's why I'll do it again

No-no-notorious

Yeah, that's why I'll do it again

No-notorious

No-no-notorious

Yeah, that's why I'll do it again
