The Last Stand (Alamo Bay)

Ry Cooder

No-no-notorious No-no-notorious I can't read about it, burns the skin from your eyes I'll do fine without it, here's one you don't compromise Lies come hard to disguise Let me to fight it out, not wild about it

Lay your seedy judgements, who says they're part of our lives? You own the money, you control the witness I hear you're lonely, don't monkey with my business You pay the profits to justify the reasons I heard your promise but I don't believe it That's why I'll do it again

No-no-notorious

Girls will keep the secrets, so long as boys make the noise Fools run rings to break up, something they'll never destroy Grand notorious slam, (bam) and who really gives a damn For a flaky bandit? Don't ask me to bleed about it, I need this blood to survive

You own the money, you control the witness I hear you're lonely, don't monkey with my business You pay the profits to justify the reasons I heard your promise but I don't believe it That's why I'll do it again

Notorious Notorious

You own the money, you control the witness I hear you're lonely, don't monkey with my business You pay the profits to justify the reasons I heard your promise but I don't believe it

You own the money, you control the witness I hear you're lonely, don't monkey with my business You pay the profits to justify the reasons I heard your promise but I don't believe it That's why I'll do it again

No No-no That's why I'll do it again No-notorious Yeah, that's why I'll do it again No-no-notorious

Yeah, that's why I'll do it again No-notorious No-no-notorious Yeah, that's why I'll do it again No-notorious No-no-notorious
