

Willie Brown Blues

Ry Cooder

Hey, call me Willie
Hey, Call me Willy
Blind dog Foolton
Smoke House Brown
Call me Willie the one and only Willie Brown

I'm build for comfort and I'm build for speed
I got everything you good girls need
See me coming throw your man outdoors
It may not get this way no more
Call me Willie the one and only Willie Brown, Yeah

Hey pretty mama, you sure look fine
Call me dog but I ain't blind
Smoke-House man is back in town
Call me up when you love comes down
Call me Willie the one and only Willie Brown, Yeah

I'm loving all you women two by two
Ain't gonna stop 'till the loving is through
It's to hot, when you turn
Baby play the fiddle when the Smoke House burns
Call me Willie the one and only Willie Brown, Yeah

Call me Willie, Call me Willie
Blind dog Foolton
Smoke House Brown
Call me Willie the one and only Willie Brown, Yeah
