

## Willie Brown Blues

Ry Cooder

Hey, call me Willie  
Hey, Call me Willy  
Blind dog Foolton  
Smoke House Brown  
Call me Willie the one and only Willie Brown

I'm build for comfort and I'm build for speed  
I got everything you good girls need  
See me coming throw your man outdoors  
It may not get this way no more  
Call me Willie the one and only Willie Brown, Yeah

Hey pretty mama, you sure look fine  
Call me dog but I ain't blind  
Smoke-House man is back in town  
Call me up when you love comes down  
Call me Willie the one and only Willie Brown, Yeah

I'm loving all you women two by two  
Ain't gonna stop 'till the loving is through  
It's to hot, when you turn  
Baby play the fiddle when the Smoke House burns  
Call me Willie the one and only Willie Brown, Yeah

Call me Willie, Call me Willie  
Blind dog Foolton  
Smoke House Brown  
Call me Willie the one and only Willie Brown, Yeah
