## **Blank Space**

Nice to meet you, where you been? I could show you incredible things Magic, madness, heaven, sin Saw you there and I thought Oh my God, look at that face You look like my next mistake Love's a game, do you wanna play?

New money, suit and tie I can read you like a magazine Ain't it funny, rumors fly And I know you heard about me So hey, let's be friends I'm dying to see how this one ends Grab your passport and my hand

So it's gonna be forever Or it's gonna go down in flames You can tell me when it's over If the high was worth the pain Got a long list of ex-lovers They'll tell you I'm insane 'Cause you know I love the players And you love the game

So goddamn reckless We'll take this way too far It'll leave you breathless Or with a nasty scar Got a long list of ex-lovers They'll tell you I'm insane But I've got a blank space, baby And I'll write your name

Cherry lips, crystal skies I could show you incredible things Stolen kisses, pretty lies I'm your King and you my Queen Find out what you want Be that girl for a month Wait, the worst is yet to come

Screaming, crying, perfect storms I can make all the tables turn Rose garden filled with thorns Keep you second guessing like "Oh my God, who is she?" I get drunk on jealousy But you'll come back each time you leave

So it's gonna be forever Or it's gonna go down in flames You can tell me when it's over If the high was worth the pain Got a long list of ex-lovers They'll tell you I'm insane 'Cause you know I love the players
